TENNESSEE'S EPSDT PROGRAM

Tennessee has made a commitment to promoting good health in children from birth until age 21. It's called the TENNderCare program. TENNderCare is a full program of check ups and health care services for children who have TennCare. These services make sure babies, children, teens and young adults receive the health care they need.

> "Every child in Tennessee deserves to grow up healthy and happy. TENNderCare is the state's commitment to see that our children and teens have the best start at a healthy life."
>
> - Phil Bredesen - Governor

Good health begins at birth, so it's important to Check In, Check Up and Check Back.
