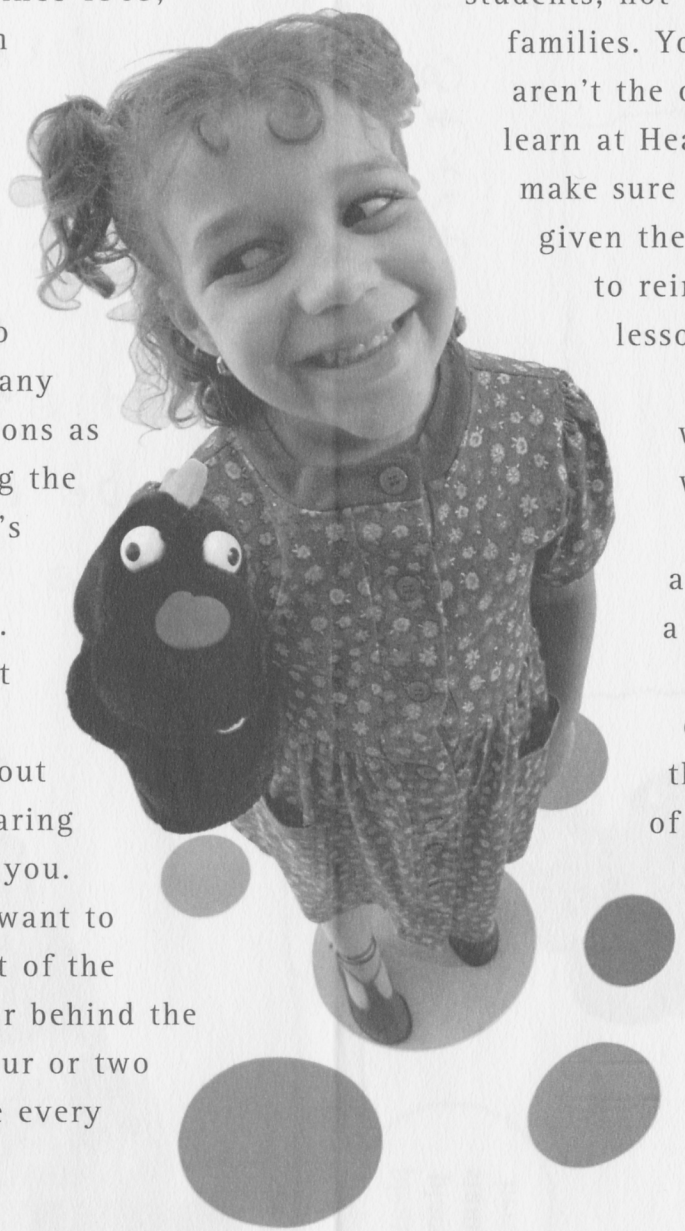
Thank you for your interest in becoming a Head Start volunteer. Since 1965, we've been dedicated to making sure all young children are given the opportunity to learn as many valuable lessons as possible during the years when it's easiest for them to learn. But none of it would be possible without the help of caring people like you. Whether you want to help in front of the classroom or behind the scenes, an hour or two of your time every week could make a big difference in the lives of our students, not to mention their families. You see, children aren't the only people who learn at Head Start. We also make sure their parents are given the tools they need to reinforce crucial lessons at home. Now that you know what we're about, we'd like to know what you're about. Please take a few moments to complete the questionnaire on the right. It's one of the many things you can help us with today that will help shape a child's life tomorrow.



Nurture the future

BE A HEAD START VOLUNTEER

How would you like to help?

Name _____

Address _____

City _____ State _____ Zip _____

Phone Number (_____) _____
