## *Federal Register Alert*

*To register:*

[http://www.headstartinfo.org/cgi-bin/federal\\_register/federal\\_register.cfm](http://www.headstartinfo.org/cgi-bin/federal_register/federal_register.cfm)

Each day - Monday through Friday – an HSIPC Information Specialist reviews the *Federal Register* table of contents for items of interest to the Head Start community. These notices include funding announcements, proposed regulations, final regulations, notices of correction and meeting notices that are issued by agencies throughout the federal government.

The *Federal Register Alert* Service provides a full citation, an abstract for each item, and provides links to the full document.

Please complete the registration form below in order to subscribe to the *Federal Register Alert* Service.
