

Open Doors1-Update

Narrator: Introducing OpenDoors, an online collection of books and multimedia on home visiting. OpenDoors supports home visitors and their supervisors by presenting regulations, topic overviews, strategies, publications, and resources in a way that's interactive, flexible, and adaptable.

Inside, you'll find resources including video, audio, even an interactive book that allows you to take notes and bookmark your progress. Filter the resources by the amount of time you have, beginner, intermediate, or advanced levels.

OpenDoors is available online across all devices. Visit the ECLKC and start using OpenDoors today.
