Ms. Jefferson: Ms. Gibson does look at other children, I promise you that Joe is not the only child we so that suggest Ms. Gibson help us with. She offers us a lot of help with many children we can teach them in different ways. Thanks for even considering a meeting with her and being open to us talking some more about this.

I'll call you tomorrow to see what your thoughts are after you've had more time to mull it over. What time is the best time to call you?

Ms. Jefferson: Sounds good. I want to thank you for coming in. And I really appreciate your willingness to listen to our thoughts, and I'll talk to you tomorrow.
