Featured Resources

Presentations from the 11th National Early Childhood Inclusion Institute

Explore a wealth of resources and information from the National Early Childhood Inclusion Institute that may help staff who work with children with disabilities.

Disability and Education Laws

Use these links compiled by the National Dissemination Center for Children with Disabilities (NICHCY) to explore several of the most influential laws related to special education. The laws form the core of current protection against discrimination and current guarantees of equal educational opportunity for individuals with disabilities.

Hot Topics

New Resources from the Head Start Center for Inclusion

- **Planned Instructional Sequences**
This module focuses on short interactions used to teach targeted or specific skills to a child. It may be used to plan, organize, and implement instruction.
- **Spanish Embedded Learning Opportunity**
The Embedded Learning Opportunity module continues to expand with the addition of a Spanish-translated presentation. This module may help teachers and staff to promote child engagement and learning in everyday activities, routines, and transitions.
- **Classroom Visual Supports**
The ever-growing library of classroom pictures just got bigger! These visual supports were created to help teachers include children with disabilities more naturally in the classroom. New additions to the collection include daily schedule pictures, problem-solving pictures, and more.
