

PRESENTATION

This PowerPoint presentation introduces ***Managing the Classroom: Materials to Support Learning*** as an effective teaching practice to maximize children's learning. The presentation includes visual and video examples that illustrate practices.

PRESENTER NOTES

This guide for presenters provides the content for training on the in-service suite. It includes further details, tips, and helpful information on using the slides and other materials for training. Guidance is also provided for when and how to use supplemental materials.

Optional slides concerning *Universal Design for Learning* (UDL) are included to illustrate how UDL applies to materials selection.

LEARNING ACTIVITIES

There are five learning activities that can be used to extend the training. Two are optional.

- *Link to Learning: Engaging Children* (Slide 7 in the Presenter Notes)
- *Link to Learning: Social Interactions* (Slide 9 in the Presenter Notes)
- *Link to Learning: Displaying Materials*
- *Where Does It Fit?* (Optional)
- *Strengths/Needs* (Optional)

TIPS FOR TEACHERS

This tip sheet for teachers includes simple, straightforward suggestions that teachers can easily utilize in the classroom.

TOOLS FOR SUPERVISORS

This observation tool is designed to assist supervisors in observing how teachers select materials to support learning. This guide can assist supervisors in providing teachers with feedback on their strengths and areas for improvement.

HELPFUL RESOURCES

This is a list of additional resources for teachers, supervisors, or Early Childhood Education specialists who want to learn more about the topic. The list includes easy-to-locate articles, books, websites, etc., with a brief description of each resource.
