

Dr. Copley: Now watch, because I'm going to do something special. You got this one in your head? Now watch. I'm going to put this one like this, and I'm going to put... Okay. Try it.

Amanda: Watch this!

Dr. Copley: Are you ready? Oh, look at that! We both have... let's count them together. Let's use your fingers. One, two, three. You did it again! Are you ready for one more hard one? You just, you're giving me, my goodness, we have so many ones here, you're just trying so hard! Okay.

[1:19.0]Now this is the ultimate -- this is the big one. This is one that, oh, I'm going to really... Look at you, you think you can get this one. Now, watch. Got that? Watch what I'm doing now. Okay. Try it. Look at you smiling, do you think you've got the same number as I have? Oh boy. Pull it off and let's see. I have one, two. How many do you have?

Amanda: One, two.

Dr. Copley: Let's see. How many do you have? Count again.

Amanda: One, two.

Dr. Copley: Fantastic. Wow, what a good number person you are!
