

Mathematics Knowledge and Skills: Number Concepts: Going-Over-Going-Under

Teacher: You ready?

Girl: Yeah.

Teacher (singing): When I was one, I had some fun, sailing over the sea. I jumped aboard a pirate ship, and the pirate said to me, going over, going under, stand at attention like a soldier with a 1, 2, 3. When I was...?

Children: Two.

Teacher: Two -- I tied my shoe, sailing over the sea. I jumped aboard a pirate ship, and the pirate said to me, going over, going under, stand at attention like a soldier with a 1, 2, 3. When I was...?

Children: Four.

Teacher: Three -- I climbed a tree, sailing over the sea. I jumped aboard a pirate ship, and the pirate said to me, going over, going under, stand at attention like a soldier with a 1, 2, 3. When I was...?

Children: Five.

Teacher: Four -- I opened the door, sailing over the sea. I jumped aboard a pirate ship, and the pirate said to me, going over, going under, stand at attention like a soldier with a 1, 2, 3. When I was...?

Children: Five.

Teacher: Five -- I learned to dive -- fsshhhh -- sailing over the sea. I jumped aboard a pirate ship, and the pirate said to me, going over, going under, stand at attention like a soldier with a 1, 2, 3. Very good, you guys! You're really learning that!
