

Your Parent, Family, and Community Engagement Action Plan

Your Vision for PFCE in Your Program

As you conduct your self-assessments and plan your next steps, it will be helpful to keep in focus the shared vision that your program has developed for the children, families, and community you all serve. What is your vision of the future as parents and families become more engaged in their children's development and learning? (Briefly describe or draw your picture of how the lives of children and families, and your program will be changed as you enhance PFCE practices.)
