

Foundations: Families Track Child Success from Their Earliest Years

Thursday, July 23, 2015 4:00pm - 5:00pm

Presenter: Amanda Hooke Perez, MSW
Early Head Start National Resource Center

DESCRIPTION

Families in Early Head Start, Migrant and Seasonal Head Start, and child care programs are laying foundations for their children's healthy development. In this plenary celebrating 20 years of Early Head Start, families will highlight the value and importance of the relationships they built and the supports they received in their children's early years through this program. They will identify the ways programs like yours—staff like you!—made a foundational difference for their children and offer insight into what worked.

OBJECTIVES

Participants will be able to:

1. State two strategies from families that helped them make long-term changes for their young children.
2. Describe the long-term impact of participation in Early Head Start.
3. Explain the long-term value of their work.

WHAT DID YOU LEARN FROM THIS PRESENTATION?
