

Webinar E11

In the Midst of Challenges: Keeping the Parent-Child Relationship in Focus

Professional Development Supplemental Material

Pre-Webinar

1. Review the HSPS specific to the Home-base model. These are listed in the Viewers Guide.
2. Review the Early Head Start- Home Visiting- In Brief. Evidence of Program Model Effectiveness. 2012
<http://homvee.acf.hhs.gov/document.aspx>

During-Webinar:

Listen for techniques for that can be used by home visitors to keep the parent-child relationship the focus. Make a list for post-webinar discussion.

Post-Webinar:

Reflect, individually or in a group, on the following:

1. Identify issues/challenges that can occur during home visits which can impact the focus of the visit.
2. Identify 3-5 strategies that home visitors can use to maintain or redirect the focus on the parent-child relationship.
3. Role-play the strategies with a co-worker.
