

PRESENTATION

This PowerPoint presentation introduces *Activity Matrix: Organizing Learning throughout the Day* as an effective tool for planning children's learning opportunities. The PowerPoint includes visual and video examples that illustrate how to build an activity matrix.

PRESENTER NOTES

This guide for presenters provides the content for training on the suite. It includes further details, tips, and helpful information on using the slides and other materials for training. Guidance is provided on when and how to use the materials.

LEARNING ACTIVITIES

There are 2 learning activities that can be used for this training.

- Learning Activity: Building an Activity Matrix (Parts I and II)
- Learning Activity: Providing the Right Materials

TIPS FOR TEACHERS

This tip sheet for teachers includes simple, straightforward suggestions that teachers can easily utilize in the classroom.

TOOLS FOR SUPERVISORS

An observation tool designed to assist supervisors in observing how teachers are using what was learned from the presentation in their classrooms. This guide can assist supervisors in providing teachers with feedback on their strengths and areas for improvement.

TOOLS FOR TEACHERS

This tool includes two blank activity matrices intended for the participants to take home and individualize for their classroom setting. Examples are included.

HELPFUL RESOURCES

This is a list of additional resources for a teacher, supervisor, or Early Childhood Education Specialist who wants to learn more about the topic.
