

### **Adding Cornstarch**

Teacher: And we're going to ask Remy to help us with the cornstarch. We need on -- How many do we need? One. How many? Let's count.

Teacher and children: One, two, three, four.

Teacher: We need four cups of cornstarch. It has to be full, okay? You can use your other hand. It's okay to touch it, okay?

Child: Okay.

Teacher: Okay, it's okay to touch it. Like that, there you go. Two. Jonathan, you want to put the cornstarch? You can start mixing.

Child: It's really awkward mixing it.
