

## Mathematics Knowledge and Skills: Patterns: Leaf-Pattern

Teacher: Camilla helped me do a pattern. I made a pattern. You can do anything you want to. Can you come say the pattern with me? You ready? Let's see if you can catch the pattern. You ready?

Girl: Green.

Teacher: Brown.

Girl: Brown. Green, brown, green, brown.

Teacher: Ah, what comes next?

Girl: Green.

Teacher: Green. There. Can you take the -- You can use that one. So, after the green one, what's going to be the last color that we're going to use?

Girl: Brown.

Teacher: Brown! Good!

Child: I said brown already!

Teacher: You both said it. So, now we've created a pattern. So, what are you going to do with your strip? You can do anything you want to. I'm going to pull some of this down here, so you so, you can have it to use, okay?
