

PRESENTATION

The PowerPoint presentation ***Ongoing Child Assessment: Partnering with Families*** describes ways to help teachers effectively work in partnership with families to facilitate ongoing child assessment. This presentation includes visual and video examples that illustrate these practices.

PRESENTER NOTES

This guide for presenters provides the training content for the in-service suite. It includes training details, tips, and helpful information on using the slides and other materials. Guidance is also provided for when and how to use supplemental materials.

An optional slide is included to facilitate participant discussion about their own program, and share how they collaborate with families in relation to ongoing child assessment.

LEARNING ACTIVITIES

Four learning activities can be used to extend the training:

- *Opportunities for Collaboration*
- *Gathering Assessment Information*
- *Sharing Assessment Information*
- *The Many Ways to Engage with Families*

TIPS FOR TEACHERS

This tip sheet includes simple, straightforward suggestions that teachers can easily use in the classroom.

TOOLS FOR SUPERVISORS

Supervisors can use this handout to support teachers in partnering with families: to observe how teaching teams and families interact, and to help teachers work together with families to share information and make adjustments to instruction.
