

## ASSESSMENT PRACTICES OBSERVATION FORM

**Directions:** Use this form to record your observations of teachers' use of ongoing assessments for children with disabilities. Discuss your observations with teachers and help them identify areas where they might need additional support.

Teacher: \_\_\_\_\_ Observer: \_\_\_\_\_ Date(s): \_\_\_\_\_

Assessment practice	Observations	Recommendations
Are children's goals and objectives broken down into small enough steps?		
Is there a written plan for collecting assessment information that includes: what, how, when, and where to assess?		
Are teachers collecting data frequently enough during everyday classroom activities and routines?		
How are teachers using ongoing assessment data to adjust their teaching?
