

## Using Interactive Media in Early Learning Learning Activity *Integration*

### Objective

To describe how technology helps accomplish a task or goal

### Instructions

1. Think of technology you use every day to accomplish a task. Examples are GPS (Global Positioning System), email, or a wearable fitness tracker.
2. Write a brief paragraph describing how you use the technology. Imagine that your reader has no experience with this technology. Include the answers to these questions: *What does the technology help you do? How does it work? What are the steps you take to use it?*
