Mindfulness: A Resilience Practice
Assignment
Choose One: Mindfulness Practices

Objective
To use a mindfulness practice to decrease stress, build resilience, and be more present to support children’s learning outcomes

Instructions
Do
• Read through the instructions on the handout Mindfulness Practices or watch Mindfulness Practices: Video Instructions.
• Choose a practice to try during the week either in or out of the classroom.
• Try out the practice at least once during the week.

Reflect
Write a one-page reflection describing your experience. Include an introduction, thesis statement, or what the paper will present, and a summary. Include relevant information from the module and responses to these questions:
• Why did you choose the practice you did?
• How would you describe the experience? Was it as you expected?
• Was the practice useful?
• What would you do differently next time?
• How would you teach this to children?
• How can you apply this to your teaching practice?
