

BASIC INFORMATION FOR EARLY HEAD START-CHILD CARE PARTNERSHIPS

This collection of resources provides basic information about the Early Head Start-Child Care (EHS-CC) Partnerships grant program and the Early Head Start and Child Care systems that the grant program strives to bridge. These grants were awarded to expand high-quality, full-day/full-year, comprehensive services for infants and toddlers that meet the child care needs of families with low incomes. For a more comprehensive collection of resources related to EHS-CC partnerships, please visit the NCEHS-CCP websites at: <http://eclkc.ohs.acf.hhs.gov/hslc/tta-system/ehs-ccp> or <https://childcareta.acf.hhs.gov/early-head-start>.

These resources are divided into the following sections:

- Early Head Start – Child Care Partnerships:
 - Foundation Information about the EHS-CC Partnerships
 - Start-Up Tools for EHS-CC Partnerships
 - Research on Successful EHS/HS-Child Care partnerships
- Information and Resources Specific to Child Care
- Information and Resources Specific to Early Head Start/Head Start

Side-By-Side Comparison of Federal and State Requirements for Early Childhood Education Services

The side-by-side comparison shows key elements of Early Head Start (EHS) and Child Care and Development Fund (CCDF) legislation and regulations. The document also can serve as a tool for states and local organizations to enter state-specific early education program requirements. Once complete, the grid can be used as an at-a-glance resource to identify similarities and differences across regulations and funding sources, as well as a springboard for determining ways to overcome barriers to successful early education partnerships.
