SELECTING WORK SAMPLES TO INFORM TEACHING

**Activity overview:** In this activity, you will select work samples that help teaching teams effectively monitor children’s progress.

**Directions:** Consider the following work samples. Choose the one that is more useful for keeping track of children’s development and learning, and circle either A or B.

**PHOTOS OF CHILDREN’S ACTIVITIES**

**A**

The note on the back of the photo includes the date, children’s names, and a description of how one boy listened to the other retell the story by looking at the pictures.

**B**

The note on the back of the photo lists the children’s names.

How could you make the sample you didn’t choose more helpful?
