

VIEW AND SHARE: FACILITATOR GUIDE

Activity overview: In this activity, participants watch the *View and Share* video and determine how special equipment benefits children.

Directions: Watch the video to see why a modification is needed and write it in the left column. What solution was generated? Write that in the middle column. How did the modification help the child? Write your ideas in the column the right.

Video Part A—Special equipment at the table		
Why is the modification needed?	What is the solution?	How did the modification help?
<p><i>Child's feet unable to reach the floor</i></p> <p><i>Always wiggling</i></p> <p><i>Didn't pay attention</i></p>	<p><i>Sturdy box under her feet</i></p>	<p><input type="checkbox"/> Increased participation? How: <i>She is able to pay attention to the activity at hand.</i></p> <p><input type="checkbox"/> Increased access? How: <i>Easier to reach for items on the table</i></p> <p><input type="checkbox"/> Anything else? <i>Child was much more confident.</i></p>
Video Part B—Special equipment at circle time		
Why is the modification needed?	What is the solution?	How did the modification help?
<p><i>It takes a lot of core muscle strength to sit on the floor.</i></p>	<p><i>Alternate seating devices: pillow, a little chair to sit in, something to lean back on</i></p>	<p><input type="checkbox"/> Increased participation? How: <i>Able to balance and then carry out activities such as clapping or finger play movements</i></p> <p><input type="checkbox"/> Increased access? How: <i>At circle—able to hold materials</i></p> <p><input type="checkbox"/> Anything else?</p>
