Acknowledgements

We would like to acknowledge the following individuals and programs for their exceptional contributions to the development of this video. *The Individualized Education Program: Strategies for Making It Work and Doing It Well* was produced by Joan E. Porter and Gary Christian Film and Video, in collaboration with SpecialQuest Birth–Five: Head Start/Hilton Foundation Training Program in 2009. Many families and service providers participated in the videotaping and interviews, while others offered us the help and hospitality that made the project possible. We extend our sincere appreciation to each of them, their families, and their colleagues behind the scenes.
