

ASSESSMENT REVIEW FORM

Use this form as you observe ongoing assessment in the classroom. Share your feedback with the teacher, both what the teacher did well, and suggestions for improvement. If you find that a classroom has many things to work on, prioritize your recommendations.

Date: _____ Classroom: _____ Observer: _____

Ongoing child assessment	Comments	Recommendations
<i>Frequency:</i> Are data collected often enough to tell how children are progressing?		
<i>Quality:</i> Are data accurate? Are behaviors documented using factual objective descriptions?		
<i>Comprehensive:</i> Do data include all the information that is needed (e.g., child's name, date, setting)?		
<i>Interpretation of information:</i> Are data being used to determine whether children are making progress?		
<i>Use of Information:</i> Are data being used to adjust teaching?
