

1301

...establishes regulations applicable to **program administration and grants management for all grants under the Head Start Act**, including grants for technical assistance and training and for research, demonstration, and pilot projects. In addition, this part contains grants administration requirements regarding insurance, bonding, audits, and regulations pertaining to the identification and reporting of child abuse and neglect.

1302

... sets forth policies and procedures for the selection, initial funding, and refunding of Head Start grantees and for the selection of replacement grantees in the event of the voluntary or involuntary termination, or of denial of refunding, of Head Start programs. As far as Head Start grantees are concerned, these regulations are for informative purposes and have no applicability to day-to-day operations.

1303

... contains the appeals procedures for grantees and delegate agencies in cases of intended or actual termination or suspension of funding.

1304

...contains **the Head Start Performance Standards**. These standards became effective on January 1, 1998, and apply to the operation of all Early Head Start and Head Start services.

1305

...prescribes requirements for determining community needs and recruitment areas. It contains requirements and procedures for the **eligibility determination, recruitment, selection, enrollment, and attendance** of children in Head Start programs and explains the policy concerning the charging of fees by Head Start programs. (Also known as **ERSEA**)

1306

This part sets forth requirements for **Early Head Start and Head Start program staffing and program options** that all Early Head Start and Head Start grantee and delegate agencies must meet.

1307

The Designation Renewal System is established in this part to determine whether Head Start and Early Head Start agencies deliver high-quality services to meet the educational, health, nutritional, and social needs of the children and families they serve...

1308

... ensures that **children with disabilities** enrolled in Head Start programs receive all the services to which they are entitled under the Head Start Program Performance Standards, as amended. (requirements for providing disability services for infants and toddlers are contained in 1304.20(f)(2)(I).)

1309

... describes the procedures for applying for Head Start grant funds to **purchase facilities** in which to operate Head Start programs.

1310

... sets forth the regulations governing the safety features and safe operation of vehicles used by Head Start agencies in **transporting Head Start children.**

1 3 1 1

... includes information on the selection, placement, duration, and status of the **Head Start Fellow.**
