

**Spatial Awareness Birth to 9 Months:
Math Learning Trajectories**

Woman: Look at this one. Watch. Try that again. The yellow. I'm going to put the blue. Pink. Your turn. You can hold onto it. Put it inside. Or eat them all. Watch, watch. I'm gonna put the blue inside. It fits. Now look at this green one. Here. You feel it. Nice and round. Mmm.

Now let's put it inside again. Here we go, green. Whoop! Inside. Here's another orange round one. Here. You can feel it, too. Smooth. Yep. Got it?

Okay. Let's put this orange one inside now. Ready? So, you try. Got it? In it goes! Here's a yellow one.
